EDUCATION

- **Techno Main Salt Lake Kolkata**

Kolkata, India

Bachelor of Technology - Information Technology; CGPA: 8.49

Nov 2020 – June 2024

Courses: Operating Systems, Data Structures, Analysis Of Algorithms, Artificial Intelligence, OOPs, Networking, Databases

TECHNICAL SKILLS

- **Languages:** C, C++, Java, HTML, CSS, JavaScript, SQL, Python
- **Frameworks:** ReactJS, NodeJS, Bootstrap, Tailwind CSS
- **Tools:** Vs Code, Git, Visual Studio, Linux, Github, PyCharm
- **Platforms:** Linux, Web, Windows

PROJECTS

Lofi-Music-App | React.js, Typescript and Tailwind CSS | [Source code](#)

- Collaborated with cross-functional teams to identify and implement performance enhancements, resulting in a 25% improvement in app loading speed.
- Developed an easy-to-use interface with intuitive controls, resulting in increased user satisfaction and a 20% decrease in user errors.
- Implemented customizable music experience feature, allowing users to select different tracks, adjust volume and apply effect sound, leading to a 30% increase in user engagement

Realtime-Code-Editor | React.js, Node.js, Socket.IO, and Tailwind CSS | [Source code](#)

- Reduced coding errors and improved efficiency by 30% through the implementation of automated code validation and error detection tools.
- Created a live preview window that instantly reflected any changes made to the code.

Expense Tracker | Bootstrap, Javascript and React.js | [Source code](#)

- Developed a user-friendly income and expenses tracking application, allowing users to efficiently manage finances
- Conducted thorough testing and debugging to ensure smooth functioning of the application

ACHIEVEMENTS

- TRUE GEEK TOURNAMENT 2021 - GEEKSFORGEEKS : SECURED AIR 100TH RANK
- CODEKAZE HIRING CHALLENGE 2023 - CODING NINJAS : SECURED AIR 1095TH RANK
- TECHGIG CODE GLADIATORS 2023 – TECHGIG : SEMIFINALIST AIR 245TH RANK
- [LEETCODE](#) : SOLVED OVER 500+ PROBLEMS(MAX RATING -1500)
- [HACKERRANK](#) : 5 STAR IN C++ , JAVA , SQL AND 4 STAR IN PROBLEM SOLVING

CERTIFICATIONS

- Participated in Javascript & Reactjs Bootcamp - Devtown ([Certificate](#))
- Data Structures in C++ - Coding Ninjas ([Certificate](#))
- Digital Skills: Artificial intelligence - Accenture ([Certificate](#))
- Frontend |Full Stack Development - Coding Ninjas ([Certificate](#))

SOFT-SKILLS

- Leadership
- Event Management
- Public Speaking

EXTRA-CURRICULAR

- Watching Podcasts
- Vlogging
- Listening Music
